

5 Steps to Start a BNI Chapter

Step 1: Visit a Chapter!

Click [HERE](#) to schedule a visit with a showcase chapter and get in touch with an experienced BNI Support Team Member (BNI Director).

Better understand how it works and if starting a BNI Chapter is right for you.

Step 2: Build Founding Member Team

Find 5-10 (or more!) well connected, positive, liked and respected professionals interested in growing their business. Each person will complete an online Membership Application. **No payment is necessary at this time.**

Step 3: Information Meeting

Set up an informational meeting with your Founding Member Team and a experienced BNI Support Team Member (Director Consultant).

In this meeting, you will learn how & who to invite to the upcoming Discover BNI Event. After this meeting, the founding members will complete the application payment online.

Information Meeting: Appx 30 min – 1 hour

Step 4: Discover BNI Event

This is a **high energy, fun, and informative** networking event!

This event is a great way to:

Connect with local professionals

Meet influential community leaders

Deepen your referral network

Step 5: BNI Success Phases

Your Discover BNI Event was a major success! Now what?

You begin to meet weekly, move through the startup program with a BNI Launch Director and kick-off a chapter of 25+ members!
